## JOHN MADOCKS NEW LESSEE OF FETTERS

Famous Manager of Concordia Club of San Francisco Takes Over Well Known Resort and Mineral Baths.

Negotiations were completed and a lease signed this week whereby John E. Madocks of San Francisco became lessee of the Feters Springs hotel and baths. Mr. and Mrs. George Feters have leased their fine property for a number of years and will devote their attention to the farm and orchard acreage on their big estate.

The hotel and baths will be conducted along high class lines by Mr. Madocks who is an experienced caterer to the public and has a big clientele among travelers seeking just such accommodations as Feters Springs provides. Madocks was manager of the Concordia Club in San Francisco and has moved to Feters with his family. He is an Englishman by birth, but is a citizen of the United States and an officer in the American Legion.

A famous chef has been engaged for the hotel and the table will be a special feature at the big Sonoma Valley resort.

The hot mineral baths and swimming tank have lately been improved and the new lessee will widely advertise the wonderful waters to be found at Feters Springs.

The hotel grounds comprise fourteen acres, highly improved and laid out in beautiful gardens. The hotel and cottages are modern and very attractive.

## BOYES FIRE ENGINE SAVES ANOTHER HOME

The Boyes Springs and Valley fire engine was called to the Mosso home Thursday to fight a fire which started on the roof and was running along coping and gutters menacing the fine residence. Upon the arrival of Chief Cause and his crew the flames were promptly extinguished.

The chief received a \$50 check from Mr. and Mrs. Mosso for the department and desires to acknowledge it with thanks. In behalf of the department he also thanks Robert P. Hill for a check of \$25, received some weeks ago.

## SONOMA'S NEW RESIDENCE TRACT

There is evidence of a real development in New Sonoma's finest residence district. A. L. Browne, who was last operating in exclusive residence tracts in Stockton, is handling the beautiful Monte Vista Park tract which was formerly the Chase property. Together with H. Harold Hunt the present owner, he spent Thursday in Santa Rosa completing the final details of filing maps of the tract for acceptance by the Board of Supervisors of Sonoma County this month. This will mean that property lines and descriptions in Monte Vista Park will be in clear, brief shape. They were both surprised at the enthusiasm of prominent Santa Rosans over the progressive spirit now developing in Sonoma with its fine paved streets and predicted a rapid development in this beautiful restricted residence tract. The local interest and support given Mr. Browne has been very gratifying to him. He is quite busy these days interviewing buyers and taking deposits on sales for those who realize the importance of early action.

## GOVERNOR STEPHENS SPOKE HERE TUESDAY

Addressed Sonoma Audience in Defense of Administration and Asks Re-election.

Governor William D. Stephens arrived in Sonoma Valley Tuesday on his campaign speaking tour of the state and after dining at the State Farm of Delinquent Women at Buena Vista addressed an interested audience at the Sonoma Grammar School.

The state's chief executive was introduced by Principal J. F. Prestwood and the Governor immediately launched into a defense of criticisms which have been leveled against the administration. In reference to state highway matters the Governor told of the remarkable increase in the number of autos driven over the highways since built and the heavy truck traffic. He declared that the builders never designed specifications for such undreamed of traffic and that it was a wonder that all the highways had not gone to pieces. He said we had the best highways of any state in the Union and that much mending and patching was being done along with new building of roads.

He apologized for the \$88,000,000 budget of the last legislature but declared everything was higher now, with the state as with the individual. The Governor stated that the money was not extravagantly spent, but economically spent, and that California does more for its people than any other state. California's family is growing and among them are criminals and the insane who must be cared for.

The Governor stated that California \$44,000,000 in taxes while Los Angeles County raised \$42,000,000 in that county alone.

He complimented California's educational system and explained that

## ITALIAN AMBASSADOR VISITS IN SONOMA

Distinguished Representative, Ronald Ricci Was Guest Here of Sam Sebastiani.

Ambassador Ronald Ricci, Italian government representative, who is touring California arrived in Sonoma County Wednesday and after entertainment in Santa Rosa motored through Sonoma Valley on his way back to San Francisco. While here he was entertained by Sam Sebastiani and taken through the big winery and cannery of the Sonoma capitalist.

Ambassador Ricci and the official party were escorted through the Valley of the Moon by many prominent countrymen including Mr. Sebastiani and L. Quartapoli who drove to Santa Rosa to meet him. The visitors arrived here later than scheduled and as a result there was no formal program on the Plaza. The ambassador was introduced to prominent citizens and town officials and mingled informally for a few minutes with the crowd who was out to greet him. He was then driven to the Sebastiani villa for a hurried tour of inspection and expressed himself as highly pleased with the fine cellars and splendid improvements of his countryman in this county.

In the party at Sebastiani's besides Ambassador Ricci were Royal Consul Fillet of San Francisco, M. J. Fontana, Signor Scatena and daughter, Father Tozzi of Cloverdale and Father Tresco of Healdsburg, Messrs. Rossi, Frati, Pellegrini, Capello, Bagani, Ralph Caraccio, A. Solari, C. Tomagni, John Buletti and R. Monboise.

After the departure of the Ambassador, Mr. Sebastiani kept open house for many guests and royally entertained about 100 guests. Musicians provided by courtesy of Louis Parente of the Tavern furnished the music.

At Santa Rosa there was a luncheon at the Occidental Hotel presided over by Editor Bertini who introduced Ambassador Ricci who spoke eloquently of Italy's recovery from the war and of his satisfaction at the splendid progress of the sons of Italy, particularly in California. Judge Seawell and Senator Slater also spoke at the luncheon. The visitors were later driven to Luther Burbank's and were received by the scientist in cordial fashion.

Barring the "dry" menu at the Santa Rosa lunch the Italian dignitaries expressed themselves as delighted with their sojourn in Sonoma county.

## SONOMA SCHOOL TO OFFER FINE PROGRAM

The coming Grammar School entertainment in Sonoma should not be missed by anyone who can crowd into the big auditorium next Friday or Saturday night. The old time songs sung by the little folks in Colonial costume, the choruses to be led by Master Preston Hotz in white satin costume plus a real baton, is just a hint of the fine numbers to be expected. Imagine hearing Billy Boy and such old favorites again.

Part two of the program is the quaint Dutch operetta, The Windmills of Holland, beautifully costumed and acted by little folks who are real comedians. There will be a star chorus girls and everything.

Sonoma is proud of these school entertainments. Don't miss it this year.

## HELP HOMELESS CHILDREN BY ATTENDING BENEFIT

You can help the wonderful work of befriending homeless children by attending the Sonoma N. D. G. W. benefit for the order's charity fund Wednesday and Thursday nights at the Don Theatre. An excellent film play and music by Madame Macerilla and her son will provide a program well worth coming out for.

## OTTO RUFUS AND MRS. MAIDA GILBERT MARRIED

Prominent Bachelor-Orchardist Weds Handsome Matron On Wednesday Evening.

At a quiet ceremony at the Rufus home in Buena Vista Wednesday night Otto R. Rufus and Mrs. Maida Gilbert were married by Rev. Isaac Cookman.

Mrs. Gilbert has made her home in Sonoma Valley for several years and is the mother of Kennon Gilbert, talented artist and high school student. She is a lady of beauty and natural charm of manner.

Otto Rufus is a pioneer orchardist of Sonoma Valley and well-to-do. He is a brother of Mrs. Henry Wicker of this place and of Mrs. Lamb of southern California.

In the marriage license issued at Santa Rosa the groom gives his age as 63 and the bride as 44.

Owing to the continued ill health of the bride no plans for a wedding trip have been made. Mrs. Rufus underwent a capital operation for an old ailment some months ago in San Francisco and has not yet sufficiently recovered to travel.

## EL VERANO NEWS

By ARCHIBALD McKIVER

Captain Candelin is sporting a new Chevrolet car.

Roy Hanson motored to the auto races at Cotati Sunday.

The Misses Morelli of San Francisco

are here on their annual vacation. Milton Peterson of Santa Rosa is here visiting at the T. H. Baines home.

George Fredrickson and family of San Francisco were here over the week end.

Jake Steckmeyer returned from St. Helena Monday, having been called there to attend the funeral of his fa-

ther's sister, who recently passed away.

Miss Annie Dowdall of Concord was here over Sunday at the Nick Dowdall home.

Mrs. M. Notrica returned to Los Angeles Tuesday after a several days visit at the Andrews home.

Miss Irene Price one of Richmond's popular girls, was here the guest of friends over the week end.

T. H. Baines, real estate dealer, was on a business trip to San Francisco the first of the week.

C. A. Porter, A. G. Hart, Garry Wright and M. McDonald, officials of the S. P., out of Oakland, passed through here last Saturday on a tour

of inspection of the Santa Rosa division.

J. J. Bairos, proprietor of the Victoria hotel, has returned from a business trip to San Francisco.

George Solick, a cafe owner of Richmond, motored over last Sunday and spent the day with friends.

Jep Valente, Sonoma Valley auto bus line owner, was here last Saturday shaking hands with his many friends.

Mrs. Mahoney and daughter are here from San Francisco enjoying their summer home. They will remain during the summer.

Among the automobile enthusiasts who took in the races at Cotati Sunday were E. Mullen, Joe Ryan, Louis

Lamotte, Mr. and Mrs. Al Rossi and Carl Weaver. They report the races very good.

The El Verano school base ball team went to Healdsburg last Friday and defeated the Grant team at that place. The game was a hot one, El Verano winning 14 to 9. The batteries for El Verano were Chance and Danieli.

Denny Riordan, globe trotter and champion Irish jig dancer of the Pacific coast, is in town doing a few stunts for the boys. Denny is also there when it comes to singing and is an acrobatic performer of note. He will remain here for the summer season. Denny is accompanied by his monkey and accordion.

John W. Fleming of El Verano and Marjorie Steiner of San Francisco were married at Santa Rosa the later part of last week. Mr. Fleming has his home here and is a police pensioner, having resided here for several years. His many friends extend congratulations to the newlyweds, who will make their home here.

The Rossi Villa will have its grand opening Saturday evening with a grand ball and other features. The dance hall has been remodeled and a maple dance floor has been put in. Fine music has been engaged for the dance and Al Rossi who will manage the hotel this year invites all to be present and enjoy a good time.

Mr. and Mrs. M. F. Mullen are in San Francisco this week. They attended the twelfth annual reunion at the Palace Hotel Wednesday of the pensioners of the S. P. Company, commemorating the fifty-third anniversary of the driving of the last spike at Promontory. Mr. Mullen had worked for the S. P. Company for 35 years and is one of the old time railroad men of California and a pensioner of the S. P.

Willie Meehan, former boxer, but now an actor, was here Sunday shaking hands with his former friends. Meehan was up from San Francisco Saturday evening, putting on vaudeville at the St. Francis church entertainment, and dropped in on the writer to say hello. The phat boy has discarded the ring and is now in the grocery business. His former admirers were all glad to see our Willie once again and looking so well.

A practice game was played on the high school diamond Sunday between the newly formed Y. M. I. and Native Sons base ball teams. Dowdall and Steiner twirled for the Y. M. I. and Kiser was catcher. The score was 15 to 10, in favor of the Y. M. I. The two teams will play ball during the summer season and the form the players now show, with practice, will be able to hold any team down in the county. Games are to be played each week as soon as the boys get in trim.

Whiskers, whiskers and more whiskers is the slogan of the new club formed here. Many of our well known business men's chins are beginning to get decorated and the El Verano Whiskers Club will make a hit when they invade Sacramento at the 49-er show. Mayor Minges of Boyes Springs has entered the race and we believe the mayor's whiskerinos will bring home the prize to the Valley of the Moon. Fire Chief Cause of Boyes Springs has also entered and our old friend, Joe White, will also raise a whisker. Other notables are sending in their application.

Dealers who display the sign use Castor Flushing Oil for safe, thorough cleaning—and Zero-lens, for correct refilling.

Mr. Rosenthal will use the hall to entertain his own guests and will also sublet it to clubs or private parties for nice gatherings. He has engaged the services of a college orchestra of Berkeley who will play here during the summer.

## SEAWELL UPHELD IN BIGELOW BLAKEMAN SUIT

Judge Emmett Seawell's decision in the famous riparian rights case of Guy K. Bigelow and others against T. Z. Blakeman and G. Merz has been affirmed by the appellate court of the first district, at San Francisco.

News of the affirmation of the decision came to Attorney Roe M. Barrett, who represented the plaintiff in the action. The action was one brought by Bigelow involving riparian rights on a stream near Sonoma which flowed through the Bigelow and the Blakeman ranches.

Defendants had constructed a series of levees and dams on the creek to impound the waters and plaintiff alleged that this interfered with his rights in the stream. Another claim advanced by the defendants was that the waters were spring waters and as such belonged wholly to them. At the trial of the case Judge Seawell gave a verdict for Bigelow, and that with the affirmation means that the riparian rights of the plaintiff are now firmly established.

## CONGRESSMAN PRESENT AT SOLDIER'S FUNERAL

Congressman Clarence F. Lea represented the home folks and his old home town of Santa Rosa at the military funeral accorded the remains of "Babe" Reams in the National cemetery at Arlington last week, when the body arrived from France. This is another of the nice little courtesies Mr. Lea can always be found doing. And what is more, Mr. Lea unwrapped the flag which had draped the casket on its long trip from France to Arlington, and is forwarding the sacred memento to his sister, Mijis Loutetia Lea, of the district attorney's office and she in turn will convey it to Mrs. Reams, the brave young soldier's mother. This flag will undoubtedly be treasured by the Reams family.

In addition to Congressman Lea there were about 100 soldiers and sailors and representatives of the government present. Mr. Lea knew young Reams as a boy in this city.—Santa Rosa Press Democrat.

Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. **MAINTENANCE** of sound and efficient government, maintenance of our school system and maintenance of our public highways are the three most important problems affecting our people today.

Business methods and economy must be injected into our political organization.

While maintaining our public school system at the highest level we must curb the tendency to develop an over expended and top heavy educational machine loaded with duplications and fads.

The future of our public highways is of the gravest concern to every taxpayer. We must see that permanent highways are so constructed that they will last as long or longer than the bond issues which pay for them without excessive maintenance charges. We must see that highways built for the use of the public are not

monopolized and destroyed by commercial truck and passenger lines.—Hofer's "The Manufacturer."

**B**ANK examiners in a measure protect society financially, but no examiner protects society from the religious impostor and hypocrite. The Fort Bragg bank wrecker who robbed the bank depositors while posing as a pillar of the church is the type of creature which weakens religion and shakes the church to its very foundations. They are human tories, yet pose as uplifters and paragons of virtue. Individuals who identify themselves with the church and then betray the trust of their fellows are the most despicable impostors imaginable. They injure the very institution they prate of fostering in addition to the injury they inflict on society in general.

## VINEBURG NEWS

The second anniversary party was given at Vineyard Villa by Mr. and Mrs. Baptiste Dupouy on Saturday evening last and the guests sat down promptly at 7 o'clock to a dinner prepared by Madam Dupouy, to which the guests did ample justice. Singing and dancing were in order following the dinner, which developed some real talent. It was midnight before the last guests departed, tired but happy. The guests present were Mr. and Mrs. John Hay, Mr. and Mrs. Billy Hay, Miss Winifred and Master Jackie Hay, Mr. and Mrs. George M. Germaine, Mrs. H. McGowan, Mr. and Mrs. Thomas Hearty, Mr. and Mrs. James Kenney, Miss Alice Josephine, James DeMartini, Auguste

Suberbie, Thomas Twier and Joseph LaRue.

Mrs. Fred Batto and Miss Adele Andrieux left on Sunday morning for Santa Clara to attend the funeral of their uncle, Mr. Carabal, a well known resident of Agnew, who was buried on Monday last. During their absence the ladies visited their brother Emile, who is being treated in the Southern Pacific hospital in San Francisco and who was operated on last Monday. It will be glad news for the young gentleman's many friends in Sonoma Valley to hear that he is resting easy and is getting along fine. The ladies returned home Tuesday evening.

Mr. and Mrs. Bancheiro and son were the guests of Mr. and Mrs. John Batto Wednesday.

## CARD OF THANKS

We wish to thank all the friends who so kindly aided us in our recent bereavement and also are most grateful for the floral offerings and the kindness of the members of the lodge of Druids.—Mrs. J. Decanini and son, M. Decanini and Mrs. Minelli.

Mrs. Swain of Buena Vista will entertain the M. E. Ladies Aid on next Thursday. On Saturday, May 20th, there will be a sale of home cooked food at the M. E. church parlors here beginning at 1 p. m.

Gus Albers, former Sonoma boy, now with the Bank of California in San Francisco, has been visiting with Mr. and Mrs. Joe English on the Hall ranch. Albers was enjoying his annual vacation, part of which he spent in Los Angeles.

## YOUNG COUPLE TO MAKE HOME IN BUFFALO, N. Y.

Last Friday morning Mr. and Mrs. Peter Militello (nee Madeline Sutter) left El Verano for their future home in Buffalo, N. Y., where Mr. Militello's folks reside. A crowd of friends and relatives gathered at the S. P. depot to wish them a safe journey and prosperity in their new place of abode.

Mr. Militello's folks have not seen their boy since he enlisted in the world war in 1916 and went overseas. They will extend a hearty welcome to him and his young bride from the Valley of the Moon.

The night before their leavetaking Mrs. Militello's parents, Mr. and Mrs. Joe Sutter, gave a dinner party in honor of the couple and all present had a jolly time.

The young folks will be greatly missed by the relatives and friends they leave behind, but all wish them success.

## REDUCTION IN FARES

## IMPROVEMENTS AT PAULSON'S MARKET

W. Paulson of the Cash and Carry Market has recovered after being under the doctor's care several weeks and returns to his business which he has been equipping with many improvements including the wonderful freezer display counter which will mean perfectly kept meats and quicker service.

A. Miranda and wife are the new partners with P. Lembeys' French Laundry. Mrs. Miranda is an expert

ironer on the fine work.

The El Verano Parent Teachers' Association will be addressed by Dr. Ordahl on May 16th at 2 p. m.

Do they grow good strawberries at Buena Vista? We'll say they do, the Index-Tribune having been presented with a sample basket from the Bettencourt farm.

Misses May and Catherine Monahan were here last week from San Francisco visiting their brother and wife.

A. Pinelli has been enjoying a motor trip with a party of Petaluma friends and will visit San Diego and Tia Juana.

# Monte Vista Park

(BEING THE HAROLD SUBDIVISION)

## Greater Sonoma's Finest and Most Beautiful Residence Tract

### \$2000 And Up For Splendid, Large Lots

This is YOUR opportunity to invest in the first subdivision of High Grade Residence Property in the "New" Sonoma. Fine highways to our city will soon be a reality. Think what this will mean to "New" Sonoma's future development and to property values situated as is MONTE VISTA PARK.

### Consider These Valuable Points

- 1—MONTE VISTA PARK is within a few blocks of the historic Plaza, where the Bear Flag was raised and where California history began; and the heart of New Sonoma which is the gateway to the world-famous Valley of the Moon.
- 2—MONTE VISTA PARK lies only 300 feet east of the "New" Broadway.
- 3—MONTE VISTA PARK is within half a block of the new \$115,000.00 high school.
- 4—MONTE VISTA PARK is in the direct line of the best residence development of the "New" Sonoma, with its fine paved streets.
- 5—MONTE VISTA PARK is conceded to be, by prominent citizens, ideal in location.
- 6—MONTE VISTA PARK lots all carry restrictions assuring the right development.
- 7—MONTE VISTA PARK lots have splendid rich soil, excellent for lawns, flowers, trees and gardens.
- 8—MONTE VISTA PARK is an ideal home site as well as a safe, sure investment. The small monthly payments on your lot means not only a savings account but should surely yield large returns on the investment.
- 9—MONTE VISTA PARK lots may be purchased on terms. A small amount down and easy monthly installments put a Fine Home Site within the reach of all.
- 10—MONTE VISTA PARK is only 40 miles from San Francisco and Sonoma summer homes are in great demand because of their close proximity to Nature's famous health springs.

Judging from the interest already shown and in view of the small number of lots the prediction is that MONTE VISTA PARK will be entirely sold out on our opening day.

## Piston clearances /

**4/1000 of an inch when cold  
1/1000 of an inch under fire**

An automobile engine, having a 4" bore will have when cold a clearance between its pistons and cylinders of approximately 4/1000 of an inch. When the same engine has been heated to operating temperature, this clearance will have decreased 75%, or to 1/1000 of an inch.

Likewise, a main crankshaft bearing having a clearance of about 1 1/2/1000 of an inch when cold, will show a decrease in this clearance at operating temperature to less than 1/1000 of an inch.

All oils lose viscosity, that is, they become lighter in body when subjected to the heat of engine operation.

An analysis of Zerolene shows that the differences in its body at the various engine temperatures, from cold to operating temperature, follow in close relation the decrease in bearing clearances.

*The right body at all operating temperatures*

For this reason Zerolene oils have at all engine temperatures exactly the required body to splash and flow freely into the fast-moving, small-clearance bearings to provide an adequate film of lubricant.

Because of their "oiliness," Zerolene oils cling to bearing surfaces, and at the same time offer in themselves a minimum of resistance to the engine power going to the driving wheels. For this reason they give perfect lubrication and permit the development of the maximum power, speed and gasoline mileage of the car.

### TENNIS STARS BRING HOME THE PENNANT

Sonoma high school continued its winning streak by defeating the Petaluma tennis men Saturday in the Northwestern League finals, thus winning the pennant.

Herschel Hyde won the first singles with his usual style 6-1, 6-1, while Hyde and Prestwood downed Petaluma in the doubles 6-3, 6-3. This is the second consecutive time Sonoma has won the championship. Herschel Hyde has lost only one set in two seasons of playing and this year he has won 50 out of 60 games. Prestwood and Hyde have completed almost as successful play in the doubles having lost only two sets and no matches in two years.

Hyde, Prestwood and Anthenian will probably compete for sectional honors in Berkeley next Saturday.

Mr. and Mrs. J. W. Savacool who have been residing in Sonoma for the past two years, will go to Berkeley in June to make their future home. Mrs. Savacool has been choir leader at the Congregational church and under her talented direction the regular monthly song service has become a

fine feature of Sonoma's church. She will be greatly missed in musical and social circles of the valley. Mrs. Savacool was formerly Adelaide Rutledge of a pioneer Sonoma county family.

Norman Cowan, famous rodeo star of the Valley of the Moon, won the bucking broco event at the Santa Clara Wild West Show last Saturday.

## PLAYED FAIR IN POLITICS

All classes of people, rich and poor, came to pay their respects last Saturday to the memory of S. Ciucci. It was not only that he had been a genial host and landlord, a good citizen, lodge brother and friend, but there were other traits which the silent form had embodied which called forth admiration and regard from men and women who knew this honorable son of Italy, a credit to the land of his birth and the country of his adoption. "He played fair in politics," was one eulogium heard of Settimo Ciucci as his funeral cortege was wending its way several blocks in length to the silent city in Mountain cemetery. There at the door of the vault, heaped high with floral tributes, the story of how he played fair in politics in one instance was recounted to a friend.

Ciucci some years ago was regarded as a leader and political boss among his countrymen, so at election time he was often sought out and entrusted with the campaigns of office seekers. A candidate for county assessor from Santa Rosa dropped into his place one day and not finding the boss home, left \$100 with the bar-keeper with instructions to have Mr. Ciucci spend it as he saw fit in the interest of his candidacy. When the money and message was delivered to the hotel man he was much perturbed as the rival candidate was a friend and old neighbor from the Lakeville section. Ciucci hated duplicity and would not on any account betray a friend. He sought out his favorite candidate and told him of the rival's \$100 and asked him what he better do about it. His friend advised him to put the money aside and after the election return it to its owner. The political boss did as he was told and some months later when his friend was elected he returned the campaign money to the defeated candidate, who had spent almost his last cent in the campaign and was mighty glad to see \$100 come back.

When men go through life and win the regard of their fellows and retain their respect and admiration there is a reason for it. It is worth while to live such a life and when death comes who can doubt that such a spirit wins recognition, even in eternity.

## TO DRILL FOR OIL NEAR WILLITS

Retaining E. T. Edwards of Taft as superintendent, purchasing a standard drilling outfit and starting business with a capital stock of \$350,000, the Mendocino Midway Oil Syndicate has been organized and is preparing to sink well No. 1 on a section of its holdings a short distance from the town of Willits in Mendocino county. The new company is composed of Napa, Sonoma and Mendocino county men, with Maynard Young of Healdsburg, president; C. L. Carbone of Napa, vice president and the First National Bank of Healdsburg treasurer. J. C. Pohley of Healdsburg is secretary.

The firm will sink two wells, one at Willits and the other at Elk Hills in Kern county, where acreage is also under lease.

Mr. and Mrs. James Wobber of San Francisco who have a summer home at Boyes Springs are among recent acquisitions to the Valley of the Moon Golf and Country Club.

More mileage—  
the result of  
complete vaporization

It isn't gasoline that explodes in the cylinder of your car and makes power.

It's gas—air, mixed in the carburetor with gasoline to form vapor.

Red Crown gasoline vaporizes completely. It forms a homogeneous mixture with 12 to 16 times its volume of air. That mixture explodes cleanly and powerfully, leaving comparatively little carbon residue on valves, spark plugs and cylinder walls.

That's why you get better mileage out of "Red Crown"—and a cleaner, sweeter-running engine.

Fill at the Red Crown sign—at Standard Oil Service Stations, at garages and at other dealers.

here is no hap-hazard proceeding. On the contrary we take infinite care to handle them so that it is impossible for mistakes to occur. And the drugs we use are as pure and fresh as we can get them. These two facts mean a drug service that is as it should be. It is the only sort of service you can afford to employ.

### WORK SOON TO START ON OLD MISSION INTERIOR

The local committee on Mission improvements report that the plans for the caretaker's quarters have been approved and that the State will soon have men at work remodeling the interior of Sonoma's historic landmark. A cozy apartment with kitchenette and bath will be provided. The caretaker has not yet been named, although several applications are on file.

The improvements at the Mission will include the installing of several substantial show cases where relics and heirlooms can be kept under lock and key at all times. The committee has the promise of many interesting relics of early California.

Souvenirs such as plaques of the old church and the Jack London ranch will be sold. Tea may also be served visitors and tourists.

The local committee, which comprises representatives from all the leading organizations, report about \$200 donated as a foundation fund for the establishing of the museum. Fifty dollars was made at the recent benefit at the Don Theatre and \$25 subscribed by the Business Men's Association.
